

AlumierMD professional peels

AlumierMD peel treatments are the next generation of clinical exfoliation. With a variety of peels, each with a unique complex of ingredients, Flawless medical aesthetics can customise your program of treatments to target your specific skin concerns whether it is aging, pigmentation or acne. This unique experience includes an exfoliation peel treatment, brightening enhancement followed by prescriptive target serums to reveal a more radiant, soft and luminous skin.

Glow peel

(Dry, normal, oily, dehydrated, acne, hyperpigmentation & ageing)

Glow peel combines lactic acid, salicylic acid and resorcinol, creating a multipurpose resurfacing solution effect in minimizing the appearance of fine lines, wrinkles and hyperpigmentation issues like age spots, discolouration and uneven skin tone. This formula exfoliates dead skin cells and stimulates cell renewal. To suit individual needs, glow peel can be customised by strength by the number of layers applied.

Vitamin A Boost

(Acne, hyperpigmentation & ageing)

Vitamin A boost is a potent and pure retinol and lactic acid resurfacing treatment. It reduces the appearance of fine lines, wrinkles and hyperpigmentation by boosting collagen production and speeding cell turnover, creating a more radiant and even-toned complexion. Ideal for mature or sun damaged skin.

Detox clear

(Acne & congestion)

Detox clear contains salicylic acid and lactic acid for excellent pore penetration and exfoliation. Salicylic acid penetrates into the pore and exfoliates dead skin cells and excess sebum. Lactic acid exfoliates dead skin cells and hydrates. Eucalyptus provides strong astringent properties. Together, they work to smooth skin, minimise pore size, reduce acne and prevent new pimples forming.

Radiant 20/10

(Acne, hyperpigmentation, uneven skin tone, congestion, open pores and oiliness)

With lactic acid and salicylic acid, radiant 20/10 resurfacing peel contains a powerful combination of them both which improves skin tone and texture by exfoliating dead skin cells and speeding cell turnover. This multipurpose resurfacing peel reduces acne pimples and minimizes the appearance of fine lines and wrinkles, large pores, hyperpigmentation and sun damage.

Radiant 30

(Hyperpigmentation, uneven skin tone, dull skin, lines & wrinkles)

Radiant 30 is an alpha hydroxyl acid resurfacing peel containing lactic acid to exfoliate dead skin cells. Boost cell turnover and stimulate collagen, improving skin texture and tone. This multifunctional peel targets multiple skin conditions, including fine lines and wrinkles, discolouration, sun damage and large pores.

AlumierMD deep moisturising treatment

Deep moisturising treatment is an intensely hydrating and nourishing option that infuses antioxidants and moisture binding ingredients resulting in plump, soft skin and a dewy complexion.

AlumierMD Enzyme treatment

Enzyme retexturing treatment is a highly effective fruit enzyme resurfacing solution. The unique blend of fruit enzymes exfoliates dead skin cells and promotes skin renewal. This unique experience also includes brightening enhancers. The result is a reduction in the appearance of fine lines, wrinkles and hyperpigmentation, while soothing and maintaining hydration.

AlumierMD refining clay treatment

AlumierMD refining treatment is a highly effective treatment to refine and purify the skin. A unique blend of clay and exfoliating ingredients remove dead skin cells and promotes skin renewal while clearing trapped oil. This unique experience also includes brightening enhancers. The result is a reduction in the appearance of blemishes and excess oil, while soothing and maintaining hydration.

Add on service; Eye rescue treatment

Eye rescue pads are soothing and cooling gel pads to rejuvenate the eye area. This add on is a must for anyone that is looking to improve the appearance of the appearance of the delicate eye area. Contains hyaluronic acid to add lost moisture.

Flawless medical aesthetics is an Alumier MD stockist and skin specialist therefore I will recommend and prescribe unique products for you to use at home if you desire. Homecare products and professional treatments work synergistically to improve the health and beauty of the skin. By combining your customized home care regimen with potent professional treatments, the result is radiant skin with improvements to tone, texture and visible signs of ageing.

I will provide my clients with a unique pass code to access the AlumierMD skincare portal to ensure the correct formulations are advocated (without obligation).
